BOB BURNS PROPOSED AMENDMENT NO.

TIME/DATE PREPARED: June 13, 2016

COMPANY: Arizona Public Service Company

AGENDA ITEM NO.: 26

DOCKET NO.: E-01345A-15-0182

OPEN MEETING DATE: June 14-15, 2016

This proposed amendment is the same as one recently approved by the Commission in Tucson Electric Power Company's Demand-Side Management Plan (DSM). It would direct APS to evaluate and consider the innovative DSM strategies and technologies discussed during the Commission-led technology workshops as it develops its next DSM plan. These strategies and technologies were explored in Docket E-00000J-13-0375, "In the matter of the Commission's Inquiry into Potential Impacts to the Current Utility Model Resulting from Innovation and Technological Developments in Generation and Delivery of Energy."

At Page 13, Line 21, INSERT: New Ordering Paragraph

"IT IS FURTHER ORDERED that as Arizona Public Service Company develops its next Demand Side Management plan it shall evaluate, consider, and propose the Demand Side Management strategies and technologies discussed during the Commission-led technology workshops as long as they are cost-effective and appropriate for the Arizona Public Service Company territory. Arizona Public Service Company shall include the finding and results of its analysis in its plan."
